Dr. Cox made a motion, seconded by Mr. Donaldson, and unanimously carried (8-0), that the application for licensure of **Dave Hennerman, Ph.D.** be **DENIED** on the following grounds:

4. **DISCUSSION/DECISION REGARDING RULES REVISIONS**

Dr. Yandell noted that Staff had been researching via the ASPPB-Listserv what other states do, if anything, regarding applicants with course work in trimester hours. He noted that other states did not have an answer for this, but that Staff had proposed language for the Rule defining semester-trimester equivalency. The Rule was based on the ASPPB-National Register Joint Designation Committee Guidelines for Defining a Doctoral Degree in Psychology and stated that: "When an academic term is other than a semester or quarter, credit hours will be evaluated on the basis of 15 classroom contact hours equaling one semester hour." Dr. Counts made a motion, seconded by Dr. Rohrbaugh, and unanimously carried (8-0), to accept the language proposed by Staff.

Ms. McCarthy also noted for the record that Board members had been notified in a memorandum dated June 14, 2002 that it was recommended that the term "reciprocity" in the Rules be changed to "credential," to be accurate. It was the consensus of the Board that the change was appropriate.

5. **DISCUSSION/DECISION REGARDING BOARD APPOINTMENT OF A LICENSEE TO SERVE ON THE SEX OFFENDER PROBATION STUDY COMMITTEE PURSUANT TO SENATE BILL 1202**

Ms. McCarthy reminded the Board of its obligation by law to appoint a psychologist to the Sex Offender Probation Study Committee, as a replacement for Dr. Terry Scritchlow, who, before he recently passed away, had always served on that Committee. She informed the Board that she had suggested three nominees who had all indicated they would be interested and who specialized in this area: Marcus Earle, Ph.D.; Steven Gray, Ed.D.; and Tom Selby, Ph.D. However, Ms. McCarthy stated, Board members were free to nominate any other licensee of their choosing. Dr. Counts made a nomination, seconded by Ms. Bainton, to appoint Douglass Brown, Ph.D., who was in charge of the chronically mentally ill sex offender program at the Arizona State Hospital,. After some discussion,

Dr. Counts then nominated Dr. Marcus Earle as an alternate, if Dr. Brown would not be able to serve on the Committee, which nomination was initially seconded by Ms. Bainton and then withdrawn, after further discussion. It was then moved by Dr. Counts, seconded by Ms. Bainton, and unanimously carried (8-0), to appoint **Douglass Brown, Ph.D.**, to the Sex Offender Probation Study Committee.

6. ADJOURNMENT

There being no further business to come before the Board, a motion was made by Dr. Santos de Barona, seconded by Dr. Counts, and unanimously carried (8-0), to adjourn the meeting at 8:18 a.m.
